### SECTION I - LOSSES NOT INSURED

1. We do not insure for any loss to the property described in Coverage A which consists of, or is directly and immediately caused by, one or more of the perils listed in items a. through m. below, regardless of whether the loss occurs suddenly or gradually, involves isolated or widespread damage, arises from natural or external forces, or occurs as a result of any combination of these:

- a. collapse, except as specifically provided in **SECTION I - ADDITIONAL COVERAGES, Collapse**;
- b. freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system, or of a household appliance, or by discharge, leakage or overflow from within the system or appliance caused by freezing. This exclusion only applies while the dwelling is vacant, unoccupied or being constructed. This exclusion does not apply if you have used reasonable care to:
  - (1) maintain heat in the building; or
  - (2) shut off the water supply and drain the system and appliances of water;
- c. freezing, thawing, pressure or weight of water or ice, whether driven by wind or not, to a fence, pavement,

  - (2) household appliance; or
  - (3) plumbing system, including from, within or around any shower stall, shower bath, tub installation, or other plumbing fixture, including their walls, ceilings or floors;

which occurs over a period of time and results in deterioration, corrosion, rust, mold, or wet or dry rot.

If loss to covered property is caused by water or steam not otherwise excluded, we will cover the cost of tearing out and replacing any part of the building necessary to repair the system or appliance. We do not cover loss to the system or appliance from which the water or steam escaped;

However, we do insure for any resulting loss from items a. through m. unless the resulting loss is itself a Loss Not Insured by this Section.

2. We do not insure under any coverage for any loss which would not have occurred in the absence of one or more of the following excluded events: We do not insure for such loss regardless of: (a) the cause of the excluded event; or (b) other causes of the loss; or (c) whether other causes acted concurrently or in any sequence with the excluded event to produce the loss; or (d) whether the event occurs suddenly or gradually, involves isolated or widespread damage, arises from natural or external forces, or occurs as a result of any combination of these:

- a. **Ordinance or Law**, meaning enforcement of any ordinance or law regulating the construction, repair or demolition of a building or other structure, unless specifically provided under this policy.

- b. **Earth Movement**, meaning the sinking, rising, shifting, expanding or contracting of earth, all whether combined with water or not. Earth movement includes but is not limited to earthquake, landslide, mudflow, sinkhole, subsidence and erosion. Earth movement also includes volcanic explosion or lava flow, except as specifically provided in **SECTION I - ADDITIONAL COVERAGES, Volcanic Action**.

We do insure for any direct loss by fire, explosion other than explosion of a volcano, theft, or breakage of glass or safety glazing materials which are part of the dwelling resulting from earth movement, provided the resulting loss is itself a Loss Insured.

- c. **Water Damage**, meaning:

- (1) flood, surface water, waves, tidal water, overflow of a body of water, or spray from any of these, all whether driven by wind or not;
- (2) water from outside the plumbing system that enters through sewers or drains, or water which enters into and overflows from within a sump pump, sump pump well or any other system designed to remove subsurface water which is drained from the foundation area; or
- (3) natural water below the surface of the ground, including water which exerts pressure on, or seeps or leaks through a building, sidewalk, driveway, foundation, swimming pool or other structure.

- e. **War**, including any undeclared war, civil war, insurrection, rebellion, revolution, warlike act by a military force or military personnel, destruction or seizure or use for a military purpose, and including any consequence of any of these. Discharge of a nuclear

weapon shall be deemed a warlike act even if accidental.

- f. **Nuclear Hazard**, meaning any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these. Loss caused by the nuclear hazard shall not be considered loss caused by fire, explosion, or smoke. However, we do insure for direct loss by fire resulting from the nuclear hazard.

3. We do not insure under any coverage for any loss consisting of one or more of the items below. Further, we do not insure for loss described in paragraphs 1. and 2. immediately above regardless of whether one or more of the following: (a) directly or indirectly cause, contribute to or aggravate the loss; or (b) occur before, at the same time, or after the loss or any other cause of the loss:

a. We will pay actual cash value at the time of loss for:

- (1) personal property and structures that are not buildings; and

However, we will not pay an amount exceeding the applicable limit of liability or an amount exceeding that necessary to repair or replace the property.

b. We will pay the cost to repair or replace buildings under Coverage A, subject to the following:

- (1) until actual repair or replacement is completed, we will pay the actual cash value of the damage to the buildings, up to the policy limit, not to exceed the replacement cost of the damaged part of the buildings for equivalent construction and use on the same premises;
- (2) you must make claim within 180 days after the loss for any additional payment on a replacement cost basis.

Any additional payment is limited to the amount you actually and necessarily spend to repair or replace the damaged buildings with equivalent construction and for equivalent use on the same premises;

**5. Glass Replacement.** Loss for damage to glass caused by a Loss Insured shall be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

**6. Appraisal.** If you and we fail to agree on the amount of loss, either one can demand that the amount of the loss be set by appraisal. If either makes a written demand for appraisal, each shall select a competent, independent appraiser. Each shall notify the other of the appraiser's identity within 20 days of receipt of the written demand. The two appraisers shall then select a competent, impartial umpire. If the two appraisers are unable to agree upon an umpire within 15 days, you or we can ask a judge of a court of record in the state where the **residence premises** is located to select an umpire. The appraisers shall then set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon shall be the amount of the loss. If the appraisers fail to agree within a reasonable time, they shall submit their differences to the umpire. Written agreement signed by any two of these three shall set the

amount of the loss. Each appraiser shall be paid by the party selecting that appraiser. Other expenses of the appraisal and the compensation of the umpire shall be paid equally by you and us.

7. **Other Insurance.** If a loss covered by this policy is also covered by other insurance, we will pay only our share of the loss. Our share is the proportion of the loss that the applicable limit under this policy bears to the total amount of insurance covering the loss.
8. **Suit Against Us.** No action shall be brought unless there has been compliance with the policy provisions. The action must be started within one year after the date of loss or damage.
9. **Our Option.** We may repair or replace any part of the property damaged or stolen with equivalent property. Any property we pay for or replace becomes our property.
